Texas - Perú - México

AUDIO/VISUAL REQUIREMENTS:

LEARNING OBJECTIVES FOR THE AUDIENCE

List at least 3 learning objectives. Upon the conclusion of this presentation, participants will be able to:

Learning Objective 1:

Learning Objective 2:

Learning Objective 3:

Please note each learning objective you have for this presentation (1, 2, 3...) from the participants' standpoint, starting with a verb (separate each learning objective with a semi-colon). **Example:** In this session participants will: 1. Learn about key steps from a toolkit for implementing community-based projects; 2. Identify and discuss with peers strategies to effectively address the most challenging member recruitment issues for Chapters; and 3. Experience an interactive activity to teach essential elements of project fundraising

PROJECT OVERVIEW AND OUTCOMES

Briefly describe What Works

- project goals
- target beneficiaries
- Project duration
- key resources leveraged
- how you responded to any challenges in project implementation
- how you measured impact
- the project's overall results; and
- Explain if/how the project is sustainable

LEVEL OF INTERACTION:

Select the level of interaction the session will provide for attendees:

- This presentation will be give lecture style

This presentation will be facilitated with an interactive panel discussion

This presentation is moderately interactive, requiring input and minimum participation from session attendees

This presentation is highly interactive, requiring participants to engage each other and interact throughout the session

Thank you for your participation
